Application of Sidraj Urs of Mysore for a loan in order to enable him to redeem his encumbered Inam village

---

LAST REFERENCE.

Letter No. 326 dated 22d. August 1894 from the Dy. Commr., Mysore Distt.

In December 1893 Sidraj Urs grandson of Thoshikh Bukshi Nanjappajee Urs of Mysore, made an applicatn to this Office for the grant of a loan of Rs. 30,000 on the Security of his Jaghire villages (Padasomanahalli and Tumbaverla) in order to clear off the family debt of Rs. 30,000. In reply the Petr was informed that he should present to the

by: Commr. Mysore, a statement showing the revenue actually derived by him from the villages in question, the nature of his title to the villages, encumbrances thereon and other particulars necessary to enable Govt to dispose of his application; and a copy of the endorsement was sent to the Dy Commr. for information -

2. With reference to the above, the Dy: Commr. reported that an endorsement ~~to as~~ had been given to Siddaraje Urs to the effect that he had no authority to mortgage the village of Patsomanahalli and half share of his amt in Tumbanedé village, as both of them had been transferred to his minor son, and that therefore the loan asked for could not be sanctioned on the security of his half share ~~of~~ in Tumbanérlé village and a house at Mysore - the

above ~~reference~~ report is ordered to be recorded.

3. The Dy Commr now submits for orders two applications from the same Sid raje Urs —

(1) for a loan of Rs. 7000
(2) for a loan of Rs. 19000.

⊗ First application: ——

Sidraje Urs asks for a loan of Rs. 7000 on the security of the Inam village of Pakamonahalli in the Serugapatam Taluk. It appears that this village was granted to Toshikhane Nanjappa grandfather of Sidraje Urs by H.H. the late Maharaja, in 1829, as Sarvamanyam. In 1880, the whole village which the family enjoyed till then, was divided between Sidraje Urs and Krishnajammanni who ⊗ transferred three shares to Nanjaraje Urs (the minor Son of Sidraje Urs). He is now the Sole owner of the village. It appears that the village was mortgaged to Sowcar Lakshmipatayya for Rs. 10,000. before it was

in order to relieve him from

and to save the estate

The Dy. Commr. recommends
that as the village is free

from any other encumbrance the loan of Rs. 7000 may be granted, subject to refayment with interest at 5 p.c. by annual instalments of 700 Rs. The Dy Commr says that the village will be mortgaged to Govt, but will remain under the management of Sidragé Urs as the minor's guardian and that in default of payment of any instalment, it may be taken possession of by Govt.

MYSORE DEWAN'S OFFICE.
PETITION DEPARTMENT.
REG'D. NO. 1723R
DATE 8-1-94

MAY IT PLEASE YOUR GRACIOUS EXCELLENCY,

Encouraged by the fact that under your Excellency's just and benevolent administration justly supported as it is, by the sanction of His Illustrious Highness the Maharaja, the condition of the scions of anicient families of Mysore, especiallv the Ursoos and those that are connected with the Royal blood, has considerably advanced not only in point of educational qualifications and official status but also in the relief of their long existed and notorious encumbrances of their estates from embarrassments, I the undersigned M. Sidda Raj Urs grandson of Thcshikana Bukshee Beega Nanjappajee Urs most respectfully beg to approach your Excellency with the following prayers.

It is no exaggeration to submit here that it has been a characterstic feature in the Government of your Excellency to protect and preserve the dignity and prestige of old and distinguished families as well as to afford facilities to Zemindar and the ryot population, With a view to accord encouragement a nd help in the above said directions, enactments and regulations have been framed and proceedings passed enabling the said Zemindars and ryots to seek Government aid by way of advances and loans from Government under the provisions of the Land Improvement and Agriculturist's Loanacts and Schemes for the relief of encumbered Estates and Jaghires granted in recognition of high ancestry and meritorious deeds. Such and other magnanimous acts on the part of your benevolent Government has not only entitled your Excellency for the unbounded regard and affection of the people of this country but also induce petitioner to claim your Excellency's indulgence for his just and reasonable solicitations.

Petitioner owns the Jaghire of two villages, viz. Padasomanahully and Tumbanerla in the Mysore District yielding an annual Revenue of about 4,000 Rs. These Jaghiris were granted by the late Maharaja Kristna Raj Woodier Bahadoor to petitioner's grand-father in the years 1829—1830. Petitioner's family was once in a flourshing condition and his ancestors were in receipt of handsomo emoluments and Palace stipends and were also holding high appointments. But latterly since the demise of petitioner's father dissensions emanating from the divided interests of petitioner's mothers led to heavy letigations in the Courts and finally resulted, not only in the entire waste of all the family moveable properties but also in encumbering the Jaghires with a large debt. This debt coupled with the family expenses incidental to marriages and increase in the family have swelled it enormously, not to speak of the heavy interest, he has had to pay, and sometimes interest for such interest (by way compound interest).

Petitioner respectfully begs to submit that he will be utterly ruined and his Jaghirie will soon pass into the hands of his creditors, if the benevolent Government of your Excellency does not extend its protecting hands. Petitioner has a debt of 30,000 Rs. He craves your Excellency to pass orders for the grant of a loan on the security of his Jaghires under the terms and provisions of the Loans acts for the relief of encumbered Estates and Jaghiris.

Should your generous Excellency be so kindly pleased as to comply with petitioners prayers, he and all his family members shall ever be grateful to your Excellency, and pray the Almighty for your Excellency's greater prosperity and happiness.

Begging to be executed for the liberty Petitioner begs to subscribe

May it please your most Honored and Respected Honor.

No reply for my prayer of 4-1-94, therefore I once more beg to approach your worship with the following requests in the hope of getting redress thro your honor's magnanimous hands which are ever ready to help the distressed. Many ruined families have been brought to a good state & protected, but my forlorn case has been left unnoticed owing to my hard fate. If my helpless condition is left uncared for I am afraid, I will be left penniless & my large family of (7) Childrens deteriorated. A little regard now shown to me will produce great many beneficial & ever lasting results. Day by day the heavy interest on the amount of loan is increasing. I have no words to express my sorrow, therefore I humbly solicit your sympathy to release me from the jaws of Lions (Creditors) which are sure to devour me. Therefore I most humbly beg your worship to clear my debts by advancing a loan of Rs thirty thousand (30,000) which will be adjusted from the Revenue of my Jaghirs. The Jaghirs may be held as security to the amount which will be generously lent to me till the sum is fully paid. By this piece of favour your sympathy will no doubt be giving a Jahaghir which H. H. The late Maharajah had kindly given for the maintenance of my forefather & my progeny. If your honor would not take notice no doubt I would be ruined immediately by losing all the estates. The credit & burden of protecting me & my family rests with your Worship. And I have no other patron save your benign honor to appeal to. Should your generous sympathy be so kindly pleased to comply with my prayers I & all my family members shall ever be grateful to your honor & pray the Almighty for long & for Loyal & benign honor's prosperity & happiness. Begging to be excused for the liberty taken

To,
The Chief Secretary to the Dewan
of Mysore

Sir,

In continuation of my letter No 1365 / 1256. dated 8th June 1894, I have the honor to submit herewith for orders of Government an application from Siddaraj Urs, son of Khoshikhané Dévaraj Urs of Mysore, on behalf of his minor son Nanjaraj Urs, for a loan of Rs 7,000, on the security of the Inam village of Pattasomanhalli in the Seringapatam Taluk.

2. This village was granted as Sarvamanyam to Khoshikhané Nanjappa, father of Dévaraj Urs and grandfather of Siddaraj Urs by His Highness the late Maharaja Krishnaraj Wadeyar in 1829. The family enjoyed the sole village till 1880 when it was divided between Siddaraj Urs and his aunt Krishnajammani, both of whom have

have transferred their shares to Nanjaraj Urs, minor son of Siddaraj Urs, who is thus the sole owner of this village. It was mortgaged to Sowkar Lakshmipathia for Rs 10,000 before the transfer of the same to Nanjaraj Urs. Rupees 4000 have been liquidated and the balance Rs 6,000 with interest still remains to be paid Siddaraj Urs applies for the loan as the guardian of the minor to relieve him from the heavy rate of interest now paid to the Sowkar and to save the estate from going into the hands of others.

3. The Revenue and expenditure of the village are as follow:-

Revenue

Amarayi	—	" - 4 - 8

		571 - 12 - 6

4. This estate is stated to be free from any other encumbrances than that mentioned above. I recommend that the loan of Rs 7000 applied for, being the balance of principal and interest in arrears due on the estate, may be granted at 5 per cent interest repayable by annual instalment of Rs 700. The whole village will be mortgaged to Government but will remain under the management of Siddaraj Urs as the minors guardian. In default of the payment of any instalment it may be taken possession of by Government.

Sanctioned. The Dy Com must see that the loan is applied & redemption effected by mortgage to Govt & Govt not otherwise

Dated Mysore 22nd Septr 1894

From

A. Ranganami Iyengar Esqrs,
Dy Commissioner,
Mysore Distt.

To

The Chief Secretary to the
Dewan of Mysore

Sir,

In continuation of my letter No 1365, dated 8th June, 1894, I have the honor to submit herewith for orders of Government, an application from Siddarajurs, son of L. Devarajurs of Mysore, for a loan of Rs 19000/- on the security of half the Inam village of Thumbanele, in Nanjangode Taluk, a house at Mysore, and 3 1/2 Kandies of wet land in Thumbanele village. This village was granted as Sarvamanyam, in 1830, by His Highness, the late Maha-Rajah, Krishnaraj Wadiyar, to Thoshi-Khana

Shashikhana Nanjappa, father of Devarajurs, and grandfather of Siddarajurs; and the same has been in the enjoyment of the family since then. The village is now enjoyed separately by Siddarajurs, and his aunt, Krishnarjammani, in equal shares, and it has been settled that the half share belonging to Krishnarjammani, should pass after her death, to the sons of Siddarajurs. The revenue and expenditure of the half village belonging to Siddarajurs are as follows:—

Revenue

	Rs.	as.	ps
Land Revenue —	1167 —	3 —	8
Water-cess —	36 —	10 —	.
Amrog —	8 —	1 —	8
Hulbanni —	4 —	7 —	3
Mohatarfa —	40 —	" —	"
Local cess —	79 —	3 —	5
Rs	1335 —	10 —	"

Expenditure

Local cess to be paid to Government }	Rs 288 —	11 —	1
Establishment Rs	46 —	6 —	"
Rs	335 —	1 —	1
Net Revenue — Rs	1000 —	8 —	11.

This

2. This half share of the Inam village has been mortgaged for Rs 10000/- to Sowcar Lakshmikathiah. The house at Mysore, and the 3½ Kandies of wet land at Chumbanerle, not included in the half share of Siddanajpur, have been mortgaged to the same Sowcar for Rs 7000/-

3 The half share of Chumbanerle village is enjoyed separately, and may be considered as ample security for Rs 12000/- being 12 times the annual net income of the Inam. The house is worth not less than Rs 7000/- and, including the 3½ kandies of wet land, is good security for Rs 7000/-. But it is doubtful, whether Government will be pleased to sanction a loan on property other than Inam. If there is no objection on this score, I recommend that Rs 19000/- may be lent as applied for, at 5 per cent Compound Interest.

No. Govt will not lend on house property or on mortgage of lands.

4 The applicant agrees to pay Rs 1500/- annually, towards the loan of Rs 19000/- from the revenue of the village, and from the produce of 3½ Kandies of wet land to be mortgaged, and his Batai lands in the Inam village. He further states that in case of his failure to pay the stipulated instalment, in any year, the

Government

Government may sell his house, and 3½ kandies of wet land, and credit the proceeds towards the loan.

5. If Government is not pleased to grant a loan on the security of the house, and the 3½ kandies of wet land, a loan of Rs 12 000/- may be granted on the mortgage of the half village, repayable by annual instalments of Rs 1000/-.

6. The half of the Inam village, will, though mortgaged to Government, be managed by Siddanajsers, and the Government may take charge of it, if he make default in paying the instalments.

Govt can't take mortgage of ½ unless it is actually divided which apparently is not the case — Can only bind on the entire village, & under Krishnajammani two joins and the & appt. bottle mortgage the entire village the loan applied for cannot be given.

I have the honor to be,
Sir,
Your most obed.t servant

Dear Col. Grant:

The Inamdar of the village of Tumbanere in the Nanjangode Taluk has already received from Government a loan of Rs 19000/- on the security of that village. He has now applied for an additional loan of Rs 10000/- on the same security. The present Nagadiyat revenue of the village is reported to be between Rs 2000/- and 2200/- The village seems to have been surveyed and classified and to be now awaiting settlement at which operation the Inamdar expects a substantial increase of revenue. The Dewan desires me to request you to kindly furnish information on the following points:-

(1) The extent of cultivable dry, wet and garden lands as ascertained at the Survey.

(2) Whether any and what portion of it is unoccupied waste.

(3) When is the village likely to be settled and whether any increase of revenue is anticipated at the settlement.

I hope you will be able to give me the above information - roughly of course - from the papers in your office or department.

Yours sincerely
M. Krishna Rao

My dear Mr Lewis

The following is a rough estimate of the area and probable climate under the Irrigation Scheme (Irrigation in two accounts).

	Total area	Probable Survey amount
	a. s.	
Dry	934 35	800
Wet	303 20	1680
Garden	14 1	84
	1252 16	2564
Khas	999 7	

Of the 1445 acres 23 only 5 acres of dry are now occupied about one of the total cultivable area lies in the following

	Probable Survey amount
Dry 37 26	32
Wet 2 2	10
Total	42

I think you may safely take the Survey amount, deducting unoccupied land, at £2,500. Regarding the present revenue I can give you no reliable figures as that is a point upon which I have as yet been able to get no satisfactory return.

I could not get this information yesterday as my Office was closed for the day.

I hope the figures I now give will suffice for the present purpose.

Yours very truly

be the figure judging from
